## BARTLING'S WHEAT IS A BREAKFAST CEREAL

Made from Carefully Selected Wheat.

The wheat is cleaned, then scarified; this process polishes the wheat and reduces to dust any foreign material. The wheat is re-cleaned, removing the impurities and immature grains. It is then ground. Cook and serve like breakfast cereal. This cereal can be made into many palatable dishes; cookies, cracked wheat muffins, and bread. Ask for recipe booklet.

# The Nebraska City Nurseries

A. L. HOSKINS, Manager

Office and Warerooms with Edward Bartling Seed Co.

FIVE YEARS IN NEBRASKA CITY

A full and complete line of home grown nursery stock, fruit trees, small fruits of all kinds, ornamental shrubs and ornamental shade trees, weeping and specimen trees. High in quality and low in price.

Our evergreens are the kinds suited for the Mid-West. Can furnish any size, from 4 inch to 6 feet. Arbor vitae, Thuja, Pyramidalis and Chinese Orientals, Pines, Spruces, Firs, Junipers, the upright and creeping varieties.

Prices on trees and shrubs will be from 10c each and up, depending on the quality and size desired. We meet competition of all the leading nurseries.

You may look forward to a large planting of trees and shrubs this year in view of the fact that the J. Sterling Morton Plant Trees anniversary will be celebrated and the nation is planning on planting one million trees to commemorate George Washington. These events should stimulate planting and we have prepared our stock to care for these needs, so let us have your orders.

We make special prices to all churches and schools.

Previous to our locating in Nebraska City we served twenty years with three of the best nursery firms in the United States. May we serve you? We strive to please. Our motto is Service, Quality and Satisfaction guaranteed. Write for prices.
